SPIRITWIND BAASIL**

2020 U.S. Top Ten Two Year Old Sport Horse Colt SPIRITWIND BAASIL's name means "Fearless". He is a big bold, confident, character who loves people and is undaunted by anything. His long, low free striding action suggests a future as a sport horse or endurance competitor. His heritage is Pritzlaff/Babson/Doyle/EAO and qualifies him as Al Khamsa. His ancestors are noted for producing excellent show and endurance horses. He is linebred to the Babson Egyptian imports *FADL, *BINT SERRA I, *BINT BINT SABBAAH and *MAAROUFA; to the Pritzlaff imports *RASHAD IBN NAZEER, *BINT MONIET EL NEFOUS, *BINT DAHMA and *BINT EL BATAA; to the Pritzlaff foundation mare RABANNA, and to the Doyle foundation horses GHADAF and GULIDA. Horses in his heritage are also found in the pedigrees of twice World Reserve Champion Stallion IMPERIAL BAAREZ and World Champion and U.S. National Champion Stallion *SIMEON SHAI+.

SPIRITWIND BAASIL is of mainly Pritzlaff and Doyle breeding. Richard Pritzlaff, an artist himself, based his breeding program on the Egyptian/Blunt mare RABANNA (a granddaughter of *NASR), Babson Egyptian lines, and his own imports from Egypt in 1958 which included *RASHAD IBN NAZEER, *BINT MONIET EL NEFOUS, *BINT DAHMA and *BINT EL BATAA, all of whom appear in SPIRITWIND BAASIL's ancestry. Pritzlaff bred RABANNA to the Doyle stallion GHADAF twice and the resultant offspring left significant influence in the Pritzlaff herd. SPIRITWIND BAASIL has one line to the GHADAF/RABANNA son JOHN DOYLE. SPIRITWIND BAASIL has 13 lines to the Doyle sire GHADAF and 20 to GULIDA, the foundation horses for the Doyle program. GHADAF and GULIDA are the parents of the outstanding endurance mare BINT GULIDA owned by Linda Tellington-Jones. The Doyle stallion BLARNEY (who has 3 lines each to GHADAF and GULIDA) was a 1980 U.S. Top Ten Endurance winner. Pritzlaff did not believe in showing his horses as he did not want them show groomed with facial hair removed, but horses descended from his program have won regional and National titles in the show ring. Both the Pritzlaff and Doyle horses are noted for their excellent records in endurance competition. Pritzlaff's foundation mare RABANNA is a maternal granddaughter of the Egyptian import *NASR, who sired BANDOS, winner of the 1955 and 1956 Tevis Cup (Western States) Endurance Ride, considered the toughest in the United States.

SPIRITWIND BAASIL has two lines to National Champion sire SHIKO IBN SHEIKH, bred by Richard Pritzlaff. He is a wonderful example of a stallion whose descendants are successful both on the endurance trail and in the show ring. SHIKO IBN SHEIKH is the sire of the first FEI World Champion Endurance winners, SHIKOS OMAR, who won his title in 1986. SHIKO IBN SHEIKH is also the paternal grandsire of RO GRAND SULTAN+//, one of the all time great endurance competitors. He was three times in succession the FEI World Endurance Champion (1988,1990, and 1992), won the Tevis Cup in 1984 and 1988 and competed 9,605 miles in his career, with 145 rides, 143 completions and 46 Best Condition awards. SHIKO IBN SHEIKH also

excelled as a sire of show horses. Five of his get have National titles in pleasure driving, dressage, trail and formal driving. His grandget include multi-National Champion western pleasure, western sidesaddle and trail RASHAWNA+//, multi-National Champion Working Cow Horse and Reining and National Champion sire ALLA FIRE+/, multi-National Champion Park Horse AEQUUS+/, etc.

SPIRITWIND BAASIL has 12 lines to *RASHAD IBN NAZEER, 5 to GHADAF, 3 to RABANNA and 3 to *BINT MONIET EL NEFOUS. This makes him closely related to a number of endurance horses with exceptional records. OT SAURI RSI has 6 lines to *RASHAD IBN NAZEER, 4 to *BINT MONIET EL NEFOUS, 3 to RABANNA and 1 to GHADAF. Her endurance record is 2,840 miles in 51 rides, with 51 completions and 2 Best Conditions. OT DYTU RSI has 4,835 miles in 93 rides with 90 completions and 8 Best Condition awards. He has 4 lines to *RASHAD IBN NAZEER, 4 to *BINT MONIET EL NEFOUS, and 3 to RABANNA. Another notable endurance competitor, OT ALTATU RSI, has 2,680 miles in 44 rides, 41 completions and 2 Best Conditions. She has 4 lines to *RASHAD IBN NAZEER, 3 to *BINT MONIET EL NEFOUS and one each to GHADAF and RABANNA. The gelding OT MONIET NESSOUS has 3,450 miles in 57 rides with 54 completions and 17 Best Condition titles. He has 5 lines to *RASHAD IBN NAZEER and 2 each to *BINT MONIET EL NEFOUS and RABANNA. He is linebred to UMI, as is DA MONIETS DOVE, dam of SPIRITWIND BAASIL. Another endurance horse with Pritzlaff breeding is DYMONI RSI, who has 4 lines apiece to *RASHAD IBN NAZEER and *BINT MONIET EL NEFOUS and 2 lines apiece to GHADAF and RABANNA. He has 3,680 miles in 66 rides with 61 completions and 16 Best Condition awards. Another highly successful Pritzlaff bred endurance competitor is the stallion DRKUMO RSI, winner of the AERC's 1996 Jim Jones award for Best Endurance Stallion. He has 2695 competition miles in 47 rides with 45 completions. His pedigree features 2 lines apiece to *RASHAD IBN NAZEER, *BINT MONIET EL NEFOUS and RABANNA and a line to GHADAF. He is a grandson of SIR WHITE MOON, to whom BAASIL's dam traces in sire line (she has two lines to SIR WHITE MOON) DRKUMO RSI is the maternal grandsire of the phenomenal endurance mare OT SARA MONIET RSI, who has 5,010 career endurance ride miles with 88 completions in 95 rides, including 16 best condition awards. She has 6 lines to *RASHAD IBN NAZEER, 4 to *BINT MONIET EL NEFOUS, 3 to GHADAF and 3 to RABANNA. SPIRITWIND BAASIL thus is closely related to many athletes who have proven their abilities in endurance racing, one of the best tests of conformation, soundness and heart for horses.

The Doyle element in SPIRITWINDS BAASIL is noted for both show and endurance horses. His third dam GREGGANS LARK LHF is by GREGGAN, the paternal grandsire of GHAY LASSA, dam of the successful endurance horse RBF SUPER SPORT, who has 4955 ride miles in 89 rides, with 80 completions and 7 Best Condition awards. RBF SUPER SPORT's endurance career spans 18 years of competition! GREGGAN also appears in the pedigree of the 3/4 Doyle mare RBF SASSAFRAS (a GHAY LASSA daughter), dam of Region 16 Endurance Champion RBF AARISTOTLE. GREGGAN has 4 lines to GHADAF and 5 to GULIDA. JADIB, a GHADAF/GULIDA son, is the sire of regional winner producer SIERRA

SHELBY. The excellent endurance mare BINT GULIDA, also by GHADAF out of GULIDA, produced the well-known endurance champion COUGAR ROCK, sire of many successful endurance competitors including COUGARS SILMARIL+(1,785 career ride miles with 100% completions).

GULNARA, a daughter of GHADAF and GULIDA, produced SERG, sire of 1982 and 1983 U.S. Top Ten Half-Arabian Park and 1986 U.S. Top Ten Half-Arabian Park AOTR LM CAT DANCING and maternal grandsire of 1977 U.S. Top Ten Pleasure Driving MIRA-FINISZ and of National winner sire BASK FANFARE. SERG's daughter SIERRA SADY appears twice in BAASIL's heritage. Her grandson DA ANTAH SHALOU has an exceptional endurance record with 3,960 career miles. He combines a Pritzlaff sire line with Babson and Doyle. Another Pritzlaff/Babson/Doyle endurance competitor, DA ALAINA MONIET, has 985 career miles with 100% completions. Her sire DB DESTINY MONIET is the paternal grandsire of BAASIL's dam. He is also a sire of western pleasure and hunt pleasure champions. DB DESTINY MONIET's daughter DA FANCY DESTINY produced DA NEJWAH+, who has 2385 endurance ride miles and is still competing. Her sire, SONYET, also appears on the dam side of BAASIL's dam (BAASIL's dam DA MONIETS DOVE is a granddaughter of both DB DESTINY MONIET and SONYET).

The Babson Egyptian element in SPIRITWINDS BAASIL is highly valued for disposition, trainability and athletic talent. SERG, mentioned above, is a son of National Champion sire FA-SERR, as is the FA-SERR son NEGEM, sire of National Champions in both halter and performance. Thus, BAASIL is linebred to FA-SERR. SPIRITWIND BAASIL is a rare representative of the sire line of FAY-EL-DINE, a full brother to FA-SERR. The champion producing mare MAARQADA is found on the dam side of SPIRITWIND BAASIL's pedigree. She is the dam of ANSATA EL SALIM, sire of National Champion sire SANKT GEORG RSI (maternal grandsire of World Champion Stallion *SIMEON SHAI+).

The EAO element in BAASIL's pedigree besides the Pritzlaff imports comes through two additional horses bred there. One is three times U.S. Top Ten Stallion *ANSATA IBN HALIMA++ (the only imported Egyptian stallion to sire both a U.S. National Champion Stallion and Mare). He is the sire of ANSATA EL SALIM. The other EAO element is *LANCERS SAHM, maternal grandsire of BAASIL's sire SPIRITWIND AHTAHM. *LANCERS SAHM is the sire of U.S. Top Ten Western Pleasure MY SAHM+ and of regional western pleasure winner and halter champion PH SAFINA, whose 6 champion offspring include the dam of multiple World Reserve Champion Stallion IMPERIAL BAAREZ. *LANCERS SAHM+ get have produced National winners in western pleasure, sport horse under saddle and dressage (including Reserve National Champion First Level Dressage MASSAR CLAIRE+). His grandget include the successful endurance horses CAMRON BAY (1,390 career miles), KHAMSEAN (1,865 career miles) and KHAIREDDIN (1,305 career miles). SPIRITWIND BAASIL's potential as a prospective endurance or sport horse is assured, and his fortunate new owner can look forward to many years of riding him.
